Honestly the best freshman dorm on North Campus. The AC alone puts it above Ellicott. My floor got really close — the lounge is where everyone ends up on Sunday nights. Community bathrooms sound scary but they're cleaned every weekday morning.

Fine but loud. If you're above the 6th floor you'll hear the elevator all night, and thin walls mean you know your neighbors' Spotify taste by week two. Location is unbeatable for STEM majors though — you can roll out of bed at 9:50 for a 10am in Iribe.

Forced triple was rough for the first month but they de-tripled us by October. Laundry on every floor is clutch. Pro tip: the 251 North dining hall line is way shorter before 6pm.

Best freshman dorm on North Campus, full stop. The AC puts it above Ellicott, floor lounges actually get used, and bathrooms are cleaned every weekday.

RAs on my floor were genuinely great. The Denton dining hall glow-up carried the whole year. Rooms are small but the window views toward the Xfinity Center are nice.
